PRINCIPAL'S CORNER

What a wonderful start to the school year at FLS! I'm incredibly grateful to be working alongside this group of faculty and staff as we all work together to create a safe, supportive and engaging learning environment for your children. The children are happy to be here. You can tell that they feel safe and loved. I am a new adult to them but have already received three hugs and have heard many "Good morning, Mrs. Ashe" and "Have a good day" comments from many of them. What a blessing!

Parents and Guardians, during the Open House I stressed to you how important everyday school attendance is for your child, especially at the beginning of the year. Coming to school every day is so important for elementary school children because it helps them build a strong foundation as they learn routines, build social skills, stay up to date with lessons and build their confidence as a learner. Please make every effort to have your child in school on time every day. We are partners in the education of these beautiful children.

For God's Glory, Ann Ashe | Principal
