## PRINCIPAL'S CORNER

Dear Families of Faith,

As we return to routines and schedules to begin this New Year together, I pray that all our students feel like they are "coming home" to Faith. We strive to create a learning community where all children feel loved and supported; a place where they belong.

This month the faculty will continue their work with the Curriculum Mapping process we began in September. Having a clear plan and a deep understanding of what we teach and when we teach it will help us continue to work toward educational excellence.

January is the time we look toward the celebration of National Lutheran Schools Week and our Open House invitation to grow our Faith family.

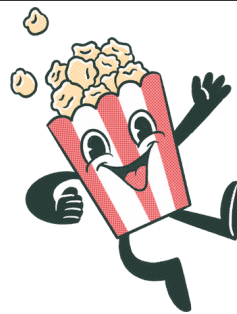

I wish you God's abiding peace and much joy in this New Year ahead!

For God's Glory, Ann Ashe | Principal

## THANK YOU

Last month, our students did such an amazing job on each of their Christmas performances.

We want to express our sincere gratitude to the incredible staff who helped make this year's Christmas programs a success. From teachers guiding students through rehearsals, to those behind-the-scenes heroes handling decorations, tech support, costumes, and refreshments, each of you played a vital role in creating memorable experiences for our students and their families.

A special thanks to Mrs. Suelzle and our administration for their support in bringing everything together. Your hard work and dedication are truly appreciated, and we couldn't have done it without you!

## PARENT PULSE

### SHARE YOUR VOICE, SHAPE OUR SCHOOL

We're excited to introduce **Parent Pulse**, a quick, anonymous feedback tool designed to strengthen communication between parents and the school. You will receive a short survey via email asking about your family's school experience.

**How It Works:** Quick Surveys that take just a few minutes to complete.

**Anonymous Feedback:** Your responses are confidential. We do not collect email addresses.

**Real Impact:** The school reviews feedback to celebrate successes and address areas for improvement.

Your input helps us create the best learning environment possible. Watch for survey notifications and let your voice be heard!
