## PRINCIPAL'S CORNER

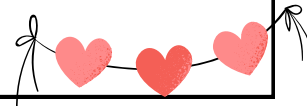

Dear Families of Faith, February is the time when we celebrate friends and look forward to our future. In addition to Valentine's Day celebrations this month, please consider joining us for Family Fun Night on Feb. 8th. This event is open to whomever you would like to invite to experience the fellowship of the FLS community. Looking to our future... please consider who you might invite to our Open House on Feb. 5th. The best way to grow our family is by personal invitation.

Speaking of the future, enrollment is open for all current families on Feb. 3rd. Your early enrollment helps us plan more efficiently for next year.

Parents and Guardians, thank you for being such staunch supporters, such consistent friends of our school and its dedicated teachers. We could not be who we are without your partnership, your love and your prayers.

As the Pre K class cheer for NLSW reminded us... "We love red and we love blue... we love our school and we love you!"

For God's Glory, Ann Ashe | Principal

## L.E.S.T.

Lutheran Elementary Schools Tournament  
February 13-15

Our 32 middle school students will take part in a mix of virtual and live events. The virtual events, which included submissions in Art and Writing, were completed in January. The live events feature popular favorites such as Basketball, Knowledge Bowl, Science, Math, Readers' Theater, Chess, Bowling, LEGO Building, and Robotics for team competitions, as well as Spelling Bee and Piano for individual participants. This year, we're excited to participate in a new event called Bookworms!

This year, we honor Cherry Meyer in 8th grade, our Champion of Character at the Opening Ceremony on Thursday morning. This award is given to a student who demonstrates outstanding qualities of character, such as integrity, kindness, leadership, and faith. This award celebrates students who exemplify Christ-like behavior and is voted on by our middle school students.

Our students and teachers dedicate significant time and effort to preparing for LEST, making these three days a wonderful opportunity to see their hard work come to fruition.
